Troops to Teachers
Online Registration and Password Assistance Information

To reduce technological issues with the Online Registration, the following is recommended:

➢ Enable JavaScript
➢ Allow pop-up windows from the TTT Online Registration Website
➢ Save information after each section. Periodically the registration may time out.
➢ The Troops to Teachers online registration works with most updated browser programs. If you encounter a non-compatible browser program even after managing the settings for JavaScript and Pop-Ups to be enabled and unblocked, please try another browser.
➢ Be advised that some browsers will call for a URL of the site you wish to allow for pop-ups. The URL for new TTT candidates is:
https://secure.doded.mil/TTTRegistration/RegistrationCreateUsernamePassword.aspx.
